

ONE2020 Hearing The Word Campaign

"For as the rain comes down, and the snow from heaven, And do not return there, But water the earth, And make it bring forth and bud, That it may give seed to the sower And bread to the eater, So shall My word be that goes forth from My mouth; it shall not return to Me void, But it shall accomplish what I please, And it shall prosper in the thing for which I sent it. (Isaiah 55:10-11 NKJV)

Dear Father God,

Father God, we thank You for Your life-giving word. May the power released through the reading, listening, praying and preaching of Your word explode today, bringing impact to every corner of the world, especially in times of darkness, unrest and turmoil. We ask earnestly for Your living water to shower upon us like rain and snow from heaven.

Father, we thank you for Faith Comes By Hearing (FCBH)'s longstanding commitment to make Your wonderful word available in audio format in all human languages so that every person on earth will have hope in Christ Jesus. We are grateful that some 1,300 out of over 7,000 languages of the audio Bible have already been recorded and are available for use in more than 190 countries around the world. We thank You also that FCBH has over 425 ministry partners to work in collaboration. As we work towards another decade-long milestone in year 2020, we pray for a new wave of anointing to come upon the entire ministry so that each and every one of the partners will continue to enlarge their tent and multiply their work. We pray that more new partners and laborers will rise up to work together to make available soon the audio Bible in all 7,000 languages.

As for God's people who are ministers of Your word, we thank You for giving us the privilege and responsibility to proclaim Your mighty word. May You keep our eyes open to see transformation that comes from You, be it in ourselves, at home, in school, in the workplace, or at meetings of the saints. May God help us do a new thing, which is to proclaim Your word first and foremost at every meeting to elevate the spiritual atmosphere of the assembly. May this new phenomenon prevail in churches of Hong Kong and other parts of the world. May God help us get rid of the habit of routineness and strive to be renewed and revived, to draw upon and declare the mightiness of Your word thereby bringing forth good reformation.

"Surely Your precious nourishing word will bring forth and bud, give seed to the sower and bread to the eater, so shall Your word will go forth from our mouth and not return void, but shall accomplish what You please, and it shall prosper in the thing for which You sent it." (Isaiah 55:10-11)

Thank You, Lord. In Jesus' name, we pray. Amen!
